

Campton United U9 Tango boys take first place in the U9 Platinum Division in the Northern Illinois Soccer League. The boys finished their season avenging their only loss of the regular season to Elmhurst, beating them 2-0 in the final game of the season to clinch first place. The league win comes a few weeks after winning the Nike Cup in Arlington Heights. Coach Tim is proud of the boys' development in their foot skills, improvement on passing and emphasis on defending all over the field.
