

Campton United is proud to announce that coach Matthew Stewart has been called up to the U.S. Futsal National Team!

Matthew, a professional player with the Chicago Storm, has been invited to the 10 day warm-up trip (May 1st thru May 11th) with matches against Argentina and several professional futsal teams from Brazil.

All of this is in preparation for the upcoming CONCACAF Futsal World Cup qualifying tournament later in June in Guatemala City. The U.S will face Costa Rica, Panama and Haiti in group A. Group B will consist of Mexico, Cuba, Trinidad & Tobago and Guatemala. The top three teams from that tournament will head to the 2008 World Cup in Brazil September 30th - October 19th.

Matt joined the Campton staff earlier this year and coaches the U15 White, Academy Crew and Academy Dynamo teams.

The club will miss Matt while he is gone but also recognizes that this is a once in a lifetime opportunity to represent his country and wishes him and the U.S. team the best of luck.

Congratulations Matt! Go USA!!

Keep up with Matt and the National team at www.futsal.org.
